8:00am - 4:30pm

Used for roads that are too short to show a symbol type on the map. The symbol has the route number attached to a leader line pointing to the physical location of that road. Users should refer to the corresponding number in the state route table for designation information.

As a motor vehicle operator on a National Forest System road, trail, or area, you must comply with this map, as well as all Federal, State, and local laws and regulations. Compliance with these rules is your responsibility.

USDA is an equal opportunity provider, employer, and lender.
